# THE INSTITUTE

Institute of Mental Health and Hospital (formerly Mental Hospital), Agra was established in September 1859. It was accorded the status of an autonomous Institution in 1994 by the Hon'ble Supreme Court of India with following objectives:

- 1. To provide diagnostic and therapeutic facilities for mental patients;
- 2. To develop infrastructure for providing social and occupational rehabilitation in mental patients;
- **3.** To provide professional and Para-professional training in the fields of Psychiatry, Clinical Psychology, Psychiatric Social Work and Psychiatric Nursing;
- **4.** To extend Mental Health Services at Community level by providing training to medical and Para-medical personnel in the field;
- **5.** To conduct research in Behavioral Sciences

#### **INFRASTRUCTURE**

**Physical Space**: The Institute is centrally located in the city on old Agra-Mathura Road having a lush green campus of 172.84 acres of land. Dedicated new blocks have been constructed for academics, library, OPD, hostel, ICU and indoor facilities.

**OPD:** Apart from regular psychiatric, clinical psychology and psychiatric social work services, there is a provision of following specialty clinics in OPD. (a) Sex clinic (b) Child and Adolescent Clinic (c) Headache Clinic (d) Lithium Clinic (e) De-addiction Clinic (f) Geriatric Clinic (g) Epilepsy Clinic.

**In-Patient Facilities**: There is a sanctioned bed strength for 838 in-patients. The indoor facilities consist of separate wings for male and female patients, an open family ward, an emergency short stay ward and a half-way home. The facilities for geriatric patients, children and adolescents, deaddiction are being developed.

**Community Mental Health Services:** The institute is extending psychiatric services in the community through a satellite clinic in Vrindavan, Mathura District; City Mental Health Clinic in Agra, psychiatric consultation to Rajkiya Bal Grah, RajkiyaShamprekshaGrah (Kishor), RajkiyaShamprekshaGrah (Mahila), Mother Teresa Home, Aga and jails in Agra.

**Diagnostic and Therapeutic Facilities:** The Institute is having fully developed and equipped diagnostic and therapeutic facilities such as Electro-convulsive Therapy Unit, Biochemistry Lab, X-Ray Unit, EEG Unit, Recreation Therapy, occupational therapy units and a psychology lab for psycho-diagnostics and psychotherapies.

**Short Term Training Programs:** Short term training facilities are provided to the students of various disciplines such as ayurveda, homoeopathy, psychology, social work and nursing, who are placed in the Institute by universities and colleges in the country.

**Library Facilities**: The institute library is well equipped with all important books and national and international journals. Other facilities include photocopying, internet, e-journals and modern learning resource materials.

**Research Unit:** The research unit of the Institute is recognized by the Department of Scientific and Industrial Research, Ministry of Technology, Government of India, New Delhi. The unit is involved in execution of research projects, publication of research papers and contribution of research to National and International Conferences.
